ELEVATED 2020

UTLA SECONDARY VICE PRESIDENT CANDIDATE

JEREMY ZWANG-WEISSMAN

Virgil Middle School, LAUSD Central

Subject: Middle school science

Teaching Experience: 11 years

Jeremy Zwang-Weissman is an 8th Grade Science teacher at Virgil Middle School. He's currently in his 11th year teaching within LAUSD and is extremely present in his student's lives. As the coach of the 6th-8th Grade Drumline and the 7th-8th grade Students Run LA after school program, Jeremy's favorite part about being an educator is the fact that he can have a direct part of his students' growth/success in their personal goals/endeavors. He's held two terms on UTLA House of Representatives and 6 years as science department chair. He's also held 3 years as electives department chair, 6 years as instructional leadership team member, and 10 years as chemical safety coordinator. Jeremy describes himself as hard-working, fun-loving, outspoken-advocate and he's running for UTLA Secondary VP because he feels that students need advocates for electives classes, after school programs, and student activities.
